**The gross rent includes the following**

- \* Building outgoings
- \* Parking allocation
- \* Brand new individually controlled 24/7 air conditioning
- \* Free use of three common meeting rooms

**The gross rent does NOT include the following**

- \* Electricity - this will be metred and charged separately by the landlord so you don't have to arrange an account with a supplier
- \* Internet - the landlord has arranged high speed internet for the building which save tenants having to arrange this themselves - this will be separately charged depending on speed required
- \* GST - this will be paid on top of the rent by the tenant
